

66/60/66

CLASS	Subclass	ISSUE CLASSIFICATION

A dark, rectangular object, possibly a book or a folder, is centered in the frame. It rests on a light-colored, textured surface that appears to be a carpet or a mat. The object has a slightly irregular shape, with one side being more rounded than the other. There are some very faint, illegible markings or text on the surface of the object, which are mostly obscured by the lighting and shadow.
